REPRESENTATION FEE

A. Purpose of Fee

If a Fire Fighter does not become a member of the Union during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said Fire Fighter will be required to pay a representation fee to the Union for that membership year. In order to adequately offset the per capita cost of services rendered by the Union as majority representative, the representative fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Union to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. 4. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.
